Word reached last week that Mr. and Mrs. E. J. Pace are the proud parents of a son. Rose's family live in Greensburg, Okla.

C. H. Deane made a business trip to Okla. this week.

PRIMARY DEPARTMENT

GAVE CHAPEL IN H. S.

The primary grades under the direction of Mrs. Lucile Lake and Miss Stewart, gave a program in chapel Wednesday morning that was very interesting. The program showed very well the efforts of Mrs. Lake and Miss Stewart.

The first number on the program was two songs, "The Bouncing Ball" and "The Huntsman" by the boys' chorus of the two grades. This was followed by the "Ace of Diamonds" dance. The pupils taking part in this dance were Marcelle Cooper, Louisa Cunningham, Mary Scandrett, Florence Gunn, Ruby Townsend, Ethel Platner, Mary Elizabeth Barrett, Ray Miller, Donald Helsel, Wilbur Miller, Earl Riney, Paul Erickson, Hubert Potter and Porter Meridith. The same children gave the "Tailor Dance" later in the program.

Robert McGee gave a clever reading with very good expression for so small a boy. Angeline Crowell followed with a reading "The Three Chestnuts." She was called back by the audience and she gave a witty little piece that pleased all. Ray Miller gave a reading "The Tattle Tale," and was quite successful in making a "hit" with the students of the high school. Little Ethel Plattner gave a reading "My Baby Brother" that was enjoyed by all. Elma and Opal Helsel sang a duet in a very pleasing manner. "The Bubble Book Boys," Ray Miller, Homer Clarkson and Wilbur Miller, sang two songs, "The Sweet Pea Ladies" and "The Wild Flower."

For the final number the two classes lined up on the platform with the alternate rows holding white and red squares of cloth. The children in the upper left hand corner held squares of blue stars. When these were held up a flag was clearly seen. While holding this position the children sang "America."

Mrs. Lake and Miss Stewart certainly showed their ability to work with the children for the whole program was carried off without any difficulty.

RESULT OF CIMARRON
